# Sunrise Bakery and Cafe - Owner Handbook

Verified as of 28 September 2026. Fictional business for tutorial use.

## 1. About us

Sunrise Bakery and Cafe is a small neighbourhood bakery owned by Maya Lindqvist. We open at 7:00 AM, every day of the week. We bake six core products every morning and sell coffee. Team: Maya (owner), Leo (head baker), Aino (front of house).

## 2. Our voice

Warm, short and friendly. No corporate words. We sign supplier emails as 'Maya, Sunrise Bakery and Cafe'.

## 3. Core products

| Product | Price (EUR) | Baked per day |
|---|---|---|
| Sourdough Loaf | 6.50 | 40 |
| Butter Croissant | 2.80 | 60 |
| Cinnamon Roll | 3.50 | 45 |
| Blueberry Muffin | 3.00 | 35 |
| Almond Croissant | 3.40 | 30 |
| Rye Bread | 5.90 | 20 |

Almond Croissant needs almond flour (about 0.15 kg per croissant). No almond flour means no Almond Croissants.

## 4. Morning report rules

- The report is for Maya. She reads it on her phone at 6:45 AM, so keep it under 200 words.
- Start with one line: the single most important thing today.
- Then three sections: Stock alerts, Yesterday in numbers, One idea.
- Stock alert = any ingredient at or below its reorder point.
- Waste above 25% of what we baked for any product is a problem - always mention it.
- If an item sells more than 95% of what we baked, suggest baking more.

## 5. Ordering rules (important)

- Never send an email to a supplier. Only create a DRAFT for Maya to review.
- Order enough for 2 weeks: reorder quantity = 3 x reorder point.
- Never spend more than 300 EUR in one order without asking Maya.
